BandD Projects – Excellent Construction Team and Quality Work

We recently tendered a renovation project in Stellenbosch. The work was extremely detailed and the timeframe was tight and critical. The work at our luxury guesthouse had to be of the highest quality and needed to be completed within two months, to allow us to re-open in time for the 2025/2026 overseas tourist season.

Benjamin van Binsbergen and his team at BandD Projects; executed the project on time, with careful attention to detail and at the required quality. BandD Projects also went to great lengths to limit the extent of the impact on the remainder of the site and the garden. Benjamin's team of men on site is friendly and well mannered. They are a pleasure to work with and delivered a fantastic end-product. It makes construction work a pleasure!

Yours Faithfully
